Quality Matters**

Fanshawe program quality tops the charts!

*About the KPI survey: In 1998, the Ministry of Training, Colleges and Universities (MTCU) introduced the Key Performance Indicators (KPI) initiative to measure performance in Ontario's publicly-funded colleges of applied arts and technology. The most recent data was collected from June 2017 to March 2018. Fanshawe's full KPI results and the results from all 24 colleges in Ontario can be found at fanshawec.ca/kpi.

**According to the College Quality Assurance Audit Process, Fanshawe has an excellent and comprehensive suite of quality assurance policies, processes and practices, meeting all six quality standards at "a mature effort." This process is developmental and the audit's intent is to ensure continual improvement. www.ocqas.org

SIGNATURE LEARNING EXPERIENCE

Fanshawe is creating a new kind of community. Innovation Village is a place to disrupt the norm, push boundaries, collaborate and create. It's where passion is welcomed and supported — to realize potential, solve real problems and grow our economies, all across Canada.

ENTREPRENEURSHIP

LEAP Junction is Fanshawe's centre for student entrepreneurship. At LEAP, we help students research, plan and develop their business ideas and explore mentorship opportunities.

RESEARCH

Our **Centre for Research and Innovation** links industry, business and community partners with student and faculty researchers to develop innovative research projects with data-driven results.

LIVE CLIENT PROJECTS

By engaging with our community partners, students gain the skills, insights and connections necessary to prepare for their future career.

MULTI-DISCIPLINARY PROJECTS

A big title for a simple concept: bring students from different programs together to work on amazing projects together. Teamwork, critical thinking and communication skills will set you apart from the crowd.

PAYING FOR YOUR CANADIAN EDUCATION

\$5+ MILLION dollars available in 450+ scholarships, awards and bursaries awarded every year.

Your education is a major investment and a major part of choosing where to study. That's why we try our best to provide support and resources to help you along the way. To get started, we've put together some yearly costs you'll need to consider to help you start planning now:

- ▶ Tuition and fees for international students typically range from CAD 16,000 to CAD 18,000*
- ▶ Other expenses to consider include textbooks, a computer, housing, food, entertainment, etc. that can range from CAD 10,000 to CAD 12,000**
- ▶ A London Transit bus pass is included for full-time London students

*Tuition fees vary by program, including some that are much higher (eg. Aviation programs, Renewable Energies, etc.) For actual fees by program, visit fanshawec.ca/international/fees.

**This is only an estimate and depends on living situation, lifestyle and other course materials that may be required.

For more information on tuition and fees, visit:

Entrance Scholarships

If you're entering a full-time post-secondary program at Fanshawe for the first time, you may be eligible for an International Entrance Scholarship! In addition, we now have new International Degree Entrance Awards for students enrolled in any of Fanshawe's Honours Bachelor Degree programs.

HOW TO APPLY

You've made the decision to study in Canada and you're ready to apply. But, how do you actually do that? Here are three simple steps to help you apply to Fanshawe College:

- 1** Complete your application at fanshawec.ca/international/apply.
 - ▶ Be sure to attach all relevant supporting documents and to pay the CAD 100.00 application fee.
- 2** Wait for your Letter of Admission (LOA).
 - ▶ Fanshawe College International Centre will assess the application and provide you with a LOA as soon as possible.
- 3** Apply for a visa by bringing your LOA to your country's Canadian Embassy or Consulate.
 - ▶ Each Canadian Embassy or Consulate has a specific list of required documents so make sure you check with them for this list.
 - ▶ Once you have your visa, notify the Fanshawe College International Centre by emailing the Admissions Officer who sent you your offer letter. Then, begin arranging your accommodation via email at fanshawecares@fanshawec.ca.

COMMUNITY STUDIES & EDUCATION

Improving the quality of people's lives is the centre of everything we do. Experience the impact you can have in the development of an individual, a family or a community.

WHY FANSHAWE?

- ▶ Graduates gain confidence through experiential learning opportunities. For example, Developmental Services Worker students acquire over 700 hours of field experience with community agencies and school partners.
- ▶ The community is at the heart of our programming. Each year, the Gerontology - Interprofessional Practice program welcomes dozens of our communities' most accredited agencies to view Capstone Project presentations.
- ▶ Students learn from experienced instructors who willingly share their field and academic expertise to prepare students for challenging and rewarding careers.

Did you know?

All culinary students gain hands-on experience by working in the kitchen of our teaching restaurant and café, The Chef's Table at Fanshawe College. This experience is embedded into our programs and provides an opportunity for students to hone their skills in a real-life workplace environment.

DESIGN & THE ARTS

Your creativity has the ability to inspire, educate and provoke thought. But pursuing your dream is more than just a passion; it's taking your art and building a strong, sustainable career out of it. Our programs will teach you to embrace your imagination and deliver on it.

WHY FANSHAWE?

- ▶ Students benefit from dedicated lab spaces that resemble real work environments, like the LiveCHIC retail fashion store for Fashion Marketing and Management students or the Design Lab/Makerspace with 3D Printers, laser printer and CNC machine.
- ▶ Live client, hands-on projects blend traditional methods with emerging technology so graduates are job-ready for today's creative industry.
- ▶ Learn from experienced, award-winning faculty such as David Moran in Theatre Arts who has won numerous accolades for his work with the Stratford Festival.
- ▶ Explore co-op opportunities for programs such as Fashion Design and Interior Decorating, taking your career options further.

Did you know?

The Unbound Fashion Show draws students from eleven different programs to plan, produce and execute this New York runway-style fashion show, presenting student fashion lines. High-profile guests, including Canadian fashion designer David Dixon, enjoy this industry-level event unique to colleges outside of Toronto. Many alumni, including those currently working in the Toronto industry for companies such as Joe Fresh, Roots and Greta Constantine, also attend.

ENGLISH FOR ACADEMIC PURPOSES (EAP)

Do you want to improve your English-speaking skills in order to prepare yourself for a post-secondary program in Canada? Then you've come to the right place! At Fanshawe College's English Language Institute (ELI), we'll help prepare you for a successful academic journey ahead.

WHY FANSHAWE?

- ▶ Learn from highly qualified professors
- ▶ Build strong academic English skills
- ▶ Start at the level that suits your current ability
- ▶ Learn how to be successful in Canadian classrooms
- ▶ Plan the next steps in your academic path

Did you know?

One of the best ways to build your English skills is through practice. Fanshawe provides fun ways to socialize and practice speaking English during each level of the program. Outside of the classroom, you can participate in volunteer and leadership opportunities. Students can also go on field trips to different places where you can see and learn more about Canada.

HOW EAP WORKS:

The EAP program includes 10 eight-week levels (two EAP levels per college semester) delivered by 15 full-time and 20+ part-time, highly qualified professors, three of whom hold PhD's. Each EAP level consists of seven weeks of intensive learning focusing on academic English Language skills and an eighth week of experiential learning activities like workshops, trips and events.

What is my starting EAP level?

HEALTH SCIENCES

Through intensive learning and training, our students become skilled and compassionate health care professionals who not only improve the quality of people's health, but save lives. Learning is enhanced through community and clinical collaborations which take place in one of the top health care hubs in North America.

WHY FANSHAWE?

- ▶ In many programs, students learn in fully-equipped, state-of-the-art simulation lab, where they care for realistic mannequins who serve as patients or clients. These mannequins have a pulse and can sweat, blink, breathe and even talk!
- ▶ Massage Therapy students gain invaluable knowledge and techniques providing treatment to clients in the community via the Mend Student Massage Clinic located at the London Campus.
- ▶ For over 25 years, Dental Hygiene students' clinical experience has included improving patients' oral health at the Dental Hygiene Students Clinic.
- ▶ Because of their intensive and specialized training, our graduates are highly sought-after both domestically and internationally.

MEDIA & DIGITAL CREATIVE

CUTTING-EDGE FACILITIES

Media studios and labs feature industry-leading hardware and software, like Fanshawe's motion capture studio in downtown London, Ontario. The studio's 360-degree cameras create fully-digitized versions of characters that can be designed and implemented in Game Design and 3D Animation and Character Design program projects.

Become immersed in your media strengths and prepare for the demands of today's media careers. Our programs will make you pour over every pixel and take you from behind the scenes to the front lines, from set to screen and beyond.

WHY FANSHAWE?

- ▶ Music Industry Arts is the number one music program in Canada, with an outstanding network of Oscar, JUNO and Primetime Emmy award-winning graduates.
- ▶ Diverse creative, technical and theoretical skills are developed and applied through co-op work terms in London's digital media centre and live-client projects in Reactr, where students work on web and mobile solutions for industry partners.
- ▶ Our graduates and faculty are leaders in Canada's media industry, including ET Canada's Cheryl Hickey and Sportsnet's Carolyn Cameron, as well as David Latour whose experience in thirteen feature films includes working on the Harry Potter series.

Did you know?

When it comes to media, Fanshawe leads the game. 106.9 "The X" is Canada's first student-run radio station and that's only the start. We've also developed FanshaweTV, three more radio stations and a podcast. Plus, we operate the largest green screen TV and film studio outside of Toronto. In radio alone, Fanshawe grads can be found working at most medium- to large-market stations in Ontario.
